Education

Amity University Patna B.Tech (CSE) • CGPA: 8.73 09/2023 - 06/2027	Infant Jesus' School Class XII (CBSE Board) • 81% 04/2021 - 03/2022	Infant Jesus' School Class X (CBSE Board) • 89% 04/2019 - 03/2020
---	--	--

Experience

Infosys Springboard Frontend Developer Intern - Developed responsive frontend interfaces and integrated real-time features for SkillBridge, a MERN-based platform connecting NGOs with global volunteers. - Architected a bidirectional real-time chat system and automated notification layer, successfully managing complex asynchronous application states. - Collaborated within an Agile engineering workflow to consume complex backend REST APIs, optimize overall UI/UX rendering performance, and maintain strict version control via Git/GitHub.	Remote, India 09/2025 - 11/2025
---	------------------------------------

Projects

SmartMock AI – Generative AI Interview Analyzer - Built a full-stack AI interview analyzer using React, Node.js, and Gemini API. - Automated interview evaluation by generating scores, feedback, and improvement suggestions.	
SkillBridge - Developed responsive React.js interfaces for a MERN-based NGO-volunteer collaboration platform. - Integrated REST APIs and real-time features while collaborating in an Agile development workflow.	

Skills
